

## **The Governor's Career & Technical Academy in Arlington has five distinct goals:**

- 1) **RELATIONSHIPS** – Multiple opportunities in school and the community for leadership and service.
- 2) **RELEVANCE** – Real-world experiences such as internships, mentoring and job shadowing.
- 3) **RIGOR** – Documented academic and technical integration, including SOL achievement, competencies and industry licenses and certifications.
- 4) **STRETCH PROJECTS** – Culminating hi-level community, client and senior projects.
- 5) **COLLEGE NOW** – College enrollment and credit while in high school, expediting a 2-year degree and connecting to 4-year colleges and universities.
