

Watch a NASA Launch Live with Astronaut Shane Kimbrough

On Sept. 12th Arlington Tech will host NASA Astronaut Shane Kimbrough as he shares his experiences in space aboard the International Space Station and provides commentary as we watch the LIVE broadcast of the launch of next space station crew. Astronaut Kimbrough spent almost 6 months in space as Commander of the space station from October 2016 - April 2017. Join us at the Career Center for this exciting event!
