

2022 Summer Residential Governor's School

Potential Applicants:

Current 10th & 11th grade students

2022 Summer Governor's School Academic Programs

- Agriculture
- Humanities
- Mathematics, Science & Technology
- Mentorship: Medicine & Health Sciences
- Mentorship: Engineering (Jefferson Lab)
- Mentorship: Marine Science (VA Institute of Marine Science)

Summer Residential Governor's School students live on a Virginia college or university campus for up to four weeks each summer. Students are involved in classroom and laboratory work, field studies, research, individual and group projects, and seminars with noted scholars & other professionals. In mentorships, students are selected to work side-by-side with research scientists, physicians, & other professionals.
