What is PRIME?

PRIME is an internship program for APS students who have been identified for gifted services and/or have completed at least one year in a CTE class with the expectation to continue to the next level.

It is designed to provide students with an opportunity to be placed as interns in professional organizations that relate to their fields of interest.

Students are assigned a mentor with whom they spend 140 hours during the summer for credit.

Who is a good candidate for PRIME?

- Are you in 10th or 11th grade this year?
- Will you be 16 by July 10, 2023?
- Have you completed a CTE (career and technical education) course and are planning to complete the sequence? Or...
- Have you been identified for gifted services?
- Are you looking for a fun and engaging way to spend part of your summer?

...if YES then PRIME is for you!

Where does PRIME take place?

PRIME Summer Program homebase is the Arlington Career Center at 816 S. Walter Reed Drive.

While your internships will take place 4 days/week at your internship site, all PRIME students will spend 1 additional day/week at the Arlington Career Center for collaborative learning and career exploration.

APS transportation is not provided for this program so you will need to find your way to both your internship site and to the Arlington Career Center.

Example PRIME Internship Experiences

- Engineering
- Architecture
- Legal - Courthouse
- Medical
- T.V. Production
- Education
- Writing/Reporting
- Technology
- Public Information
- Design/Construction
- Music
- Animal-Vet Tech
- Computer Science
- ...and more!

When does PRIME occur?

This year's PRIME session will occur Monday through Friday from July 10 - August 4.

Your attendance is required.

If you predict attendance conflicts or issues please let us know prior to completing your PRIME application so that we can assist and advise.

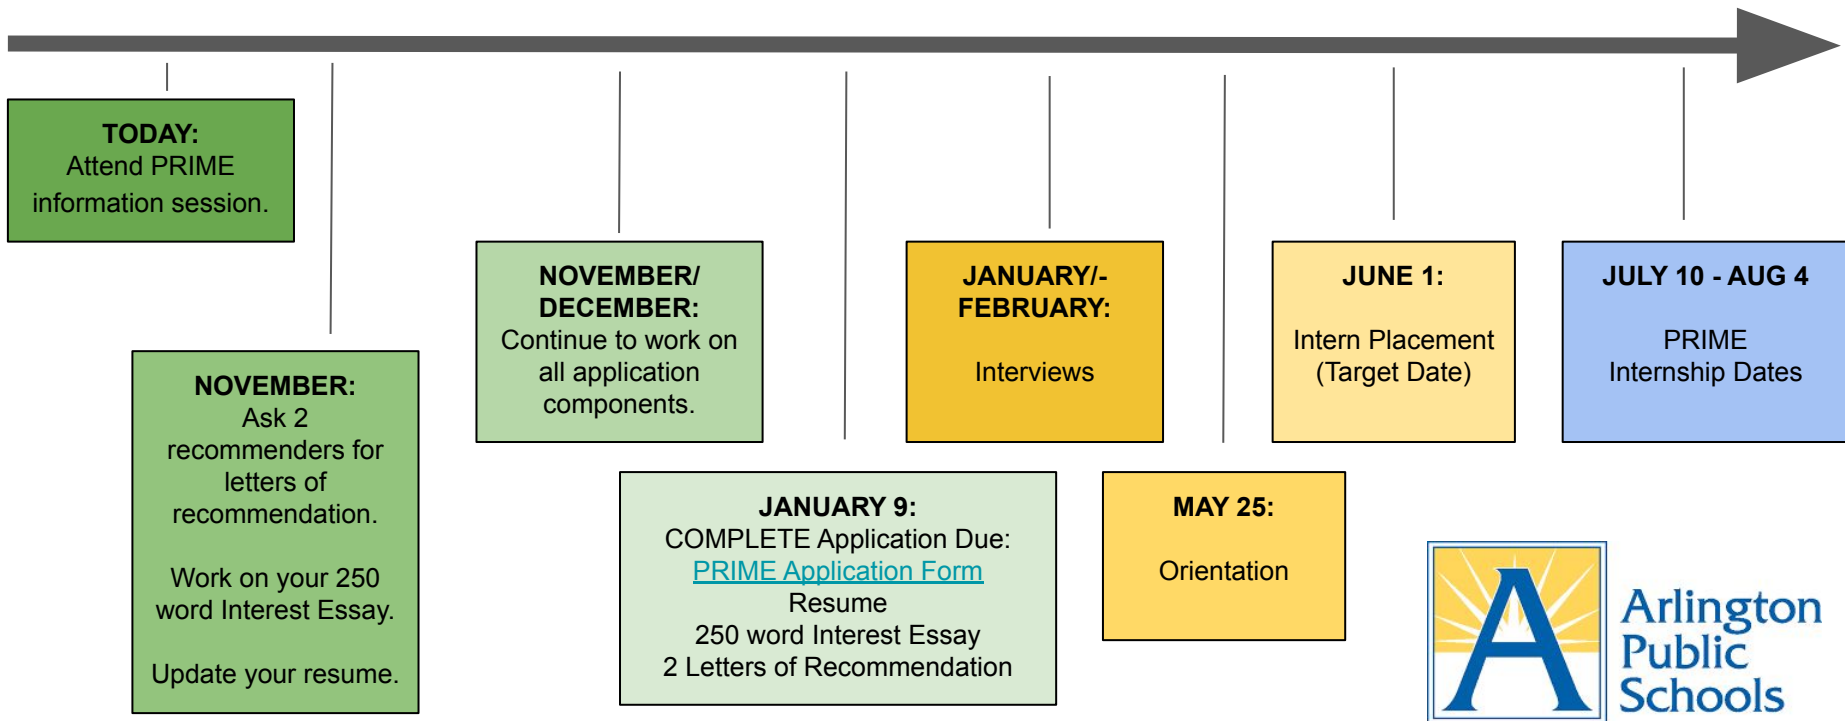

Why should you do PRIME?

1. It is fun!
2. You will meet new friends and make new connections.
3. It affords you a real-world working experience in a field of your interest.
4. You can earn 1.0 (Pass/Fail) elective credit hours toward your graduation requirements. The grade will appear on your 2023 transcript.
5. You can earn internship hours toward your Capstone project (AT Students)
6. It fulfills the HQWBL (high quality work based learning) experience requirement for graduation.
7. It's a great resume-builder and contributes to your post-secondary portfolio!

PRIME Candidate Next Steps

What does a “COMPLETE” PRIME Application Look Like
