

Summer Math Packet - Part 1

Date _____ Period _____

Welcome to Arlington Tech! Students taking our Algebra/Geometry course complete Algebra 1 in the first semester and take the SOL in mid-January. We jump right into instruction the first week of school and have multiple tests in September. Completing parts 1 and 2 of this review of the Math 8 Standards will make your life easier that first semester.

QR codes link to Khan Academy in case you need some assistance. You can also refer to <https://www.khanacademy.org/math/grade-8-virginia> for review of all Math 8 Standards.

Show work as necessary for credit. Some sections require you to NOT use a calculator.

This packet is due TWO WEEKS AFTER the start of school.
